### Product Description

An affordable, effective portable solar solution. The Matrix MA-PSK120 is a 120W folding solar panel that is ideal for portable applications. Kit includes 120W polycrystalline panel, 10A charge controller to properly charge 12V lead-acid battery packs, and carry case.

Originally designed for humanitarian efforts, this solar panel is used in a wide range of applications including: RV, camping, boating, hunting, disaster recovery and military.

- Versatile, rugged design - No need to make mounting holes in your vehicle roof
- Simple plug n' play operation with built-in charge controller
- Compact size for easy transport & storage
- Adjustable angle (20°-60°) for best sky exposure
- Long cable - park in the shade, put the panel in the sun!

...
