Product Summary

The 98101 5V USB to 12V Adaptor by Goal Zero allows you to plug your [Light-A-Life 350](#) lights into any USB port. The number of lights you can operate from a USB port is dependent on the power capacity of the USB port. The Light-A-Life lamps can be chained together, so most 12W USB ports will be able to support 4 lamps (chained).
