Product Summary

The **Bioenno Power BSP-180 model 180 Watt Foldable Solar Panel** is a high output monocrystalline solar panel system designed for ease of use. Featuring triple large sized panels, this unit is ideal for field applications, home back-up, and RV/truck camping.

Product Description

The **Bioenno Power BSP-180 model 180 Watt Foldable Solar Panel** is a high output monocrystalline solar panel system designed for ease of use. Featuring triple large sized panels, this unit is ideal for field applications, home back-up, and RV/truck camping.

DISCONTINUED BY BIOENNO

When paired with a suitable solar charge controller & battery bank, this solar panel allows you to power a wide variety of equipment. In the summer months, this panel can generate over 900 Watt-Hours of free energy. That's enough to power a laptop for a full working day with power leftover for phones, coffee maker, blender, lights, and more. And unlike traditional gasoline generators, sunlight is a reliable fuel-source you don't have to pay for. With a solar system, as long as you have sun you have electricity.

This solar panel includes the free padded case.

Please note: Our Solar Panels DO NOT include the Solar Charge Controller
Always use an appropriate Solar Charge Controller when using with battery – attaching a panel directly to a battery is not advised.

BSP-180 Folding 180W Solar Panel Specifications

Maximum Power Output: 180W (60W per panel)

Maximum Voltage: 18V (per panel)

Maximum Current: 3.35A (per panel, so 10A in parallel)

Open Circuit Voltage: 22V (per panel)

Short Circuit Current: 3.66A (per panel, so 10.98A in parallel)

Dimensions Folded:(L x W x H) 21.29in. x 31.89 in. x 4.33 in. (541 mm x 810 mm x 110mm)

Dimensions Unfolded: 45.78 in. x 31.89 in. x 1.4 in. (1632 mm x 810mm x 35 mm)

Weight: 45.85 lbs. (20.8 kg.)

Temperature Range: -49°F ~ 185°F (-45°C ~ 85°C)

Connector: 50A Power Pole

Warranty: 2 Year Warranty

Note that additional BSP-180 panels can be added to your set for even more power.

*Assistance with wiring and cabling for chaining available upon request
