Product Summary

Easily add a fuse to an existing cable with CrimpFuse, an inline fuse holder with crimp barrels on each end. Avoid additional voltage loss of unnecessary connectors.

Accepts #10 or #12 gauge wire.

Water splash proof cover.

Rated up to 30 Amp max.

Product Description

Easily add a fuse to an existing cable with this crimpable fuse holder. An inline fuse holder with crimp barrels on each end. Avoid additional voltage loss of unnecessary connectors.

Accepts #10 or #12 gauge wire.

Water splash proof cover.

Rated up to 30 Amp max.

A great pairing with the [resettable breaker style fuse](#) for wiring your small solar system.
