### Product Description

The Goal Zero Crush Light. A very cool little light for camping, cabins, and

emergencies.

Hang it, light it, crush it. The Crush is a solar-powered lantern designed for convenience. Features three light settings and a flickering candle mode.

Item number 32012

Goal Zero Crush Light Features...

### **Light It**

This collapsible solar powered lantern is a lightweight companion to any adventure with 60 lumens of usable light on high, and a 35 hour runtime on low. The Crush Light also features a soft, candle flicker mode for ambiance.

### **Charge It**

Just add sun and the Crush Light charges up through its built-in solar panel. In a pinch? It also charges from any USB port via micro USB cable (included).

### **Crush It**

The Crush Light is as easy to store as it is to use, collapsing to just over half an inch.

**NOTE:** Crush Light ships in Demo Mode. To take it out of Demo Mode, press and hold on/off button for 10 - 15 seconds.

### **Two Ways to Charge The Crush Light**

(1) Recharge the Crush Light from the sun with built-in solar panel.

(2) Charge from any USB port via micro USB cable (included).
