## Product Summary

Clamp any Kestrel into this sturdy but lightweight tripod to take readings in the field.

## Product Description

The tripod's legs extend to permit a maximum height of 10", and a minimum of 6". Ultra-compact and portable, it folds to just 7.5" and weighs 4.8 oz. For further options, the top clamp detaches and is compatible with any tripod with a standard tripod mount (1/4" 20 thread fitting). Comes with a padded carry pouch.
