Product Summary

One of the best chargers you could have in your portable power kit. The Lenmar BCUNI2 is a universal battery charger. This means that it covers just about everything: cameras, phones, AA, AAA. Comes with both AC input & DC inputs, so you can use it at home, in your car, or from solar.

Product Description

So many of today's outdoor electronics eat through their batteries in short order, so you need a flexible charger that can keep up with demand. We give you the Lenmar. The Lenmar BCUNI2 is a universal battery charger that charges almost any small electronic device.

BCUNI2 Charges Cameras...

- Handles lithium camera batteries in both the 3.6/3.7V & 7.2/7.4V ranges.
- Provides an adjustable charging bay, with connection terminals that slide to match the battery pack you want to charge.
- Auto-detect voltage means you simply insert your battery, adjust the pins to match, and the charger does the rest
- max battery pack length (from terminal side to opposite side) : 7.5cm / 3"

BCUNI2 Charges AA/AAA Batteries...

- Great for headlamp, flashlight, & radio batteries - 2-Channel, Charges 1 or 2 batteries at a time - Supports both NiMh & NiCd chemistry

Charging USB Devices...

- For those small USB devices, like iPhones, that need to charge from USB - Full 1A, 5V output to support all smart phones & iPods - The USB port can be used while the BCUNI2 is charging other batteries in its charging bay

AC & DC Input...

- Use at home from a wall plug - Plug into any 12V solar panel - Plug into your car's dashboard - Run from your portable USB battery pack

Features & Specifications...

- Charge protection prevents over-charging of your devices - Reverse discharge diode prevents battery discharge - Camera/phone battery chemistries: lithium - AA/AAA battery chemistries: NiMh, NiCd - 2-Channel - charges 1 or 2 NiMh cells at a time (do not mix size or types) - Reverse polarity protection - Battery fault/faulty indicator - USB port : 5V 1000 mA - Dimensions : 10.1 x 6.3 x 2.5cm / 4 x 2.5 x 1" - Weight : 142g / 5oz - Package includes charger, DC input cord, AC input adaptor with international plug adaptors, instructions
