### Product Summary

Marinco 12VCPS2 : 2 Wire ConnectPro Receptacle and Plug Combo for DC bulkhead pass-through wiring applications. The ConnectPro system features a locking plug and receptacle with a spring clamping connection that provides a secure electrical contact.

## Product Description

Marinco 12VCPS2 : 2 Wire ConnectPro Receptacle and Plug Combo.

The ConnectPro plug and receptacle system is a revolutionary concept in DC connections. The superior electric current carrying capacity of the ConnectPro system eliminates problems that rob power and reduce battery life. The ConnectPro system also features a locking plug and receptacle with a spring clamping connection that provides a secure electrical contact.

12VBRS2 and 12VBPS2 packaged together

Applications...

Bulkhead penetrations for...

- Solar panel cabling - Trolling motor cabling

12VCPS2 Specifications...

Electrical Specifications...

- 12, 24, or 36 Volt systems - 40A max

Material Specifications...

- Housing Material: Nylon - Contact Material: Brass

Terminals...

- Brass, clamp style. - Accommodates 16 to 8 AWG wire. - Terminal openings are identified by numbers.

Mechanical Specification...

- Cord Clamp: Internal

Overall Design...

- Beveled housing. - Dust seal at cord entry. - Round cable opening accommodates cable OD .25"-.40" - O-ring on plug body seals for waterproof connection.
