Product Variants

- MRBF Terminal Fuse by Eaton Bussman - 50A ()
- MRBF Terminal Fuse by Eaton Bussman - 60A ()
- MRBF Terminal Fuse by Eaton Bussman - 80A ()
- MRBF Terminal Fuse by Eaton Bussman - 100A ()
- MRBF Terminal Fuse by Eaton Bussman - 150A ()
- MRBF Terminal Fuse by Eaton Bussman - 200A ()
- MRBF Terminal Fuse by Eaton Bussman - 250A ()
- MRBF Terminal Fuse by Eaton Bussman - 300A ()

Product Summary

The MRBF terminal fuse is a very popular, and very handy circuit protection option. Rather than placing a fuse block several feet from the battery, these fuses mount on a small fuse block that bolts as an extension to your battery terminal. Over-current protection as close to the source as possible! Ideal for inverter installations, and protection of all DC circuits downstream.

Product Description

The MRBF terminal fuse is a very popular, and very handy circuit protection option. Rather than placing a fuse block several feet from the battery, these fuses mount on a small fuse block that bolts as an extension to your battery terminal. Over-current protection as close to the source as possible! Ideal for inverter installations, and protection of all DC circuits downstream.

Requires the use of terminal fuse blocks CBBF-MBC, BS5191, BS2151, BS5194 or BS5196. Provides high current protection in tight space locations. Ignition protected. 58V DC maximum voltage.

MRBF Terminal Fuse Specifications... - Manufacture: EATON BUSSMAN - Series: CBBF - Type: MRBF (for Marine Battery Fuses) - Style: Bolt-down Fuse - Current Rating Available: 50A (CBBF-50), 60A (CBBF-60), 80A (CBBF-80), 100A (CBBF-100), 150A (CBBF-150), 200A (CBBF-200), 250A (CBBF-250), 300A (CBBF-300) - Voltage Rating: 58V - Requires the use of Terminal Fuse Blocks: CBBF-MBC, BS5191, BS2151, BS5194, BS5196 - Interrupt rating satisfies ABYC requirements for DC Main circuit protection on large battery banks - Ignition protected, safe for installation aboard gasoline powered vehicles or boats - Clear window, visual indication of blown condition - Color coded for each amperage - One fuse per pack

Product Attributes

- Dimensions: 1 × 1 × 1 cm
- Weight: 0.1 kg
- Fuse Rating: 50A, 60A, 80A, 100A, 150A, 200A, 250A, 300A
