### Product Description

Outback SystemEdge 420NC Cabin Series Power Package. Experience Single-Brand Simplicity with a SystemEdge package from OutBack Power. All packages include a factory pre-wired and tested FLEXpower Radian, EnergyCell batteries, Integrated Battery Rack, FLEXware ICS Plus combiner box, OPTICS RE web enabled monitoring and control and all necessary connection hardware.

SystemEdge 420NC Applications...

Featuring the 4kW FLEXpower Radian (FPR- 4048A) and eight (8) EnergyCell Nano Carbon batteries, the SystemEdge 420-NC is ideal for smaller power applications—including homes, cabins, remote communication sites and backup power systems where frequent partial or incomplete charge and discharge of batteries occurs.

SystemEdge 420NC Highlights...

- Single SKU ordering convenience
- Factory tested, pre-wired and pre-configured FLEXpower Radian
- EnergyCell Nano-Carbon batteries
- 2-Shelf Integrated Battery Rack
- FLEXware ICS Plus combiner box
- Single brand UL and NEC compliant system
- System monitoring AND control via web interface with OPTICS RE
