Product Summary

The 200W Overlander Solar Charging Kit by Go Power! If you are looking for a

premium solar charger for your camper, van conversion, trailer, or RV, this is a great choice. Now more powerful than ever! The Go Power! Overlander is one of the largest single-module 12-volt solar charging kits on the market, with 200 watts and 9.6 amps of power charging capability.

Product Description

The 200W Overlander Solar Charging Kit by Go Power! If you are looking for a premium solar charger for your camper, van conversion, trailer, or RV, this is a great choice. Now more powerful than ever! The Go Power! Overlander is one of the largest single-module 12-volt solar charging kits on the market, with 200 watts and 9.6 amps of power charging capability.

The Overlander allows you to enjoy the peace and quiet without a generator, and no longer worry about draining your batteries while away from grid power. This powerful battery charger is great for maintaining the charge in all types of batteries and is ideal for extended RVing or dry-camping.

Need something just a little bigger, but with the same format 36-cell solar module? Check out these other packages: SOLAR EXTREME, SOLAR ELITE, and WEEKENDER ISW.

Included in the Overlander Kit:

200W solar module ([GP-PV-200M](#))]

30-amp single-bank, Bluetooth® enabled, PWM Solar Controller ([GP-SB-PWM-30BT](#))]

* - 25' of MC4 output cable - RED (#10) - 25' of MC4 output cable - BLACK (#10)

Mounting hardware (1 x [GP-MH-4-KB](#))]

Already have a charge controller?

Choose the Overlander Expansion Kit if you already have a charge controller, and just want the module with MC4 parallel branch connectors. [Click here.](#)

Need only the 190W solar panel? [Click here](#)

[GP-PV-190M Module Specifications](#)

Solar cell type : Monocrystalline

Output power : 200 W

Rated current : 9.6 A

Rated DC voltage : 20.8 V

Open-circuit voltage : 24.3 V

Module efficiency : 21%

Connectivity : MC4 connectors

Frame type : Clear anodized aluminum frame

Certifications : CE

Dimensions : 59.06 x 26.3 x 1.59 in / 1500.12 x 668.02 x 40.38 mm

Weight : 26.4 lbs / 12 kg

Warranty : 25 years power output (module)
