Product Summary

The complete CleanWaste PETT system kit is an ideal solution for field workers & outdoor recreation outfitters that need all the CleanWaste PETT products in one easy to manage kit. The complete CleanWaste kit includes a PETT folding toilet, PUP privacy tent, & 15 WAG Bags. FREE: TOTE custom backpack.

Product Description

The CleanWaste [PETT](#)'s sturdy, durable design holds up to 600 lbs. with 3 locking legs for safety & stability even on rough terrain. The CleanWaste PETT sets-up to the same height & capacity as standard toilet, using the unique [WAG](#) double-bag disposal system for liquid & solid waste. The [PUP](#) privacy tent is 6' 6" tall, and designed for fast set-up using pre-installed poles.

FREE BONUS: This system package includes a TOTE custom backpack for carrying your PETT Go Anywhere toilet system neatly & efficiently.

No more worries about where to find a gas station, where to find a clean gas station, or how cold that log might be in the middle of the night!

Thousands of individuals use CleanWaste products, and are exercising responsible waste disposal to protect the environment. CleanWaste believes an environmentally sensitive attitude will protect our mountains, forest and waterways, and serve earth in the long run.

CleanWaste products are in use by the Military, National Park Service, National Forest Service and FEMA.

Made in the USA.

CleanWaste and Modern Outpost, believe an environmentally sensitive attitude will protect our mountains, forest and waterways, and serve earth in the long run. Our products are in use by the Military, National Park Service, National Forest Service and FEMA.
