Product Description

GO Anywhere Portable Toilet (the PETT®)

Enjoy dignified convenience with the safe, sturdy, thoughtfully engineered, premium quality GO anywhere portable toilet® by CleanWaste. The compact CleanWaste toilet weighs just 7 pounds and folds closed to standard briefcase size. The CleanWaste PETT portable toilet provides the comfort, height and ease of use of a standard toilet, supports up to 500 pounds and is stable on uneven ground. The CleanWaste GO Anywhere portable outhouse toilet is a dry toilet that frees users from the emptying & cleaning tasks required by chemical toilets. With the disposable WAG bags, each person cleans up after themselves. (Bags can be used more than once - the catalyzing powder provided in each bag will gel 60oz)

- No mixing, messy chemical waste storage tanks or dump stations required -
- No assembly required - Made in the USA - FREE Shipping

Thousands of individuals use CleanWaste products, and are exercising responsible waste disposal to protect the environment. CleanWaste believes an environmentally sensitive attitude will protect our mountains, forest and waterways, and serve earth in the long run.

CleanWaste and Modern Outpost, believe an environmentally sensitive attitude will protect our mountains, forest and waterways, and serve earth in the long run. CleanWaste products are in use by the Military, National Park Service, National Forest Service and FEMA.
