Product Summary

Introducing the RandomOrder Ruggedized USB Battery Pack. If you are looking for a tough battery that can take the bumps & splashes of wilderness treks, this is the one for you. Ideal for portable solar applications where equipment durability is paramount.

Product Description

Introducing the RandomOrder Ruggedized USB Battery Pack. If you are looking for a tough battery that can take the bumps & splashes of wilderness treks, this is the one for you. Ideal for portable solar applications where equipment durability is paramount.

YOUR BEST

SOLAR PANEL **OPTIONS FOR THIS BATTERY Voltaic ARC 10W Goal Zero Nomad 7+**

You can charge directly from any USB solar panel, but these panels will do it faster.

Ruggedized USB Battery Pack Features...

Drop-Resistant

Surviving 6 drops from a 6' height. (Following the military 810G specification)

Water-Resistant

Surviving complete submersion in 2m of water for 1 hour (IP68)

Sealing hatch must be closed to meet this spec.

Dust-Proof

IP68 performance for preventing dust ingress

Sealing hatch must be closed to meet this spec.

Pass-Through Charging

This means that you can charge this battery at the same time it is charging your equipment.

In order to be practical for solar applications, as well as to avoid irritating users, we require that the battery packs we sell offer pass-through charging capability. Most, if not all, USB battery packs you find at your local electronics shop do not offer this capability.

Fast Universal USB Port

Means you can charge any USB device at the device's maximum preferred rate.

Phones, tablets, GPS, cameras, radios, drones, and more.

Practical Power Capacity

9,000 mAHr storage capacity means 2-3 full smartphone charges. Having the extra capacity helps in mobile applications where charging opportunities may be sporadic.

LED Indicators

Press the power button to see the battery's state-of-charge.

Flashing LEDs indicate if the battery is receiving charge.

Charge Retention

The Rugged USB Battery Pack retains its charge for up to one year.
