Product Summary

This SB-DCPLUGFEMALE Barrel to Bare Wire cable finds use in building your own output cable for solar panels and batteries which feature a male 5.5x2.1mm barrel connector.

Product Description

This SB-DCPLUGFEMALE Barrel to Bare Wire cable by Bioenno finds use in building your own output cable for solar panels and batteries which feature a male 5.5x2.1mm barrel connector. Also fits 5.5x2.5mm barrels.

This connector mates with the DC barrel on Bioenno Lithium battery wall chargers, and most 5.5mm male barrel DC connectors.

- Connectors: 5.5x2.1mm Female Barrel, bare wires - Length: 25cm / 10 inches (excluding connector) - Polarity: Center positive, Red (+) / Black (-) - 22AWG wire gauge

Product Attributes

- Dimensions: 1 × 1 × 1 cm
- Weight: .1 kg
