Product Description

The Sherpa 100AC is an upgrade to the classic Sherpa 100 portable battery pack that has been a Goal Zero standard for many years. The Sherpa 100AC incorporates a number of features that put this battery pack at the top of any serious list of portable power solutions. Plus, Goal Zero took the time to make it easy to use with USB-C Power Delivery integration, and intuitive display and a compact shape. Gen 4 model, part# 22200

Sleek and powerful, the Sherpa 100AC is your go-to source for versatile power while on the move. Airline approved and travel ready, the 94.72Wh power bank is equipped with innovative features like wireless charging, high-speed Power Delivery, and a variety of ports to power phones, tablets, DSLR cameras, and laptops—including power-hungry MacBooks.

Sherpa 100AC Highlights

Two High-Speed USB-C Power Delivery Ports

At 60W each, these USB-C Power Delivery ports provide rapid power for laptops, phones, and more.

Integrated 100W AC

Take the outlet with you, on the plane or in the wild, for serious power anywhere you need it. Perfect for keeping cameras and laptops charged.

Qi Wireless Charging + 2.4A USB

No matter the phone, there's a wicked fast, convenient charging solution designed for you. USB ports are useful for devices with proprietary charging (fitness trackers,

watches, etc.).

Interactive OLED Display

Check power in and power out, get detailed port information, and even set roles for ports.

Four Rugged Cables Included

We're including the cables you need to get the job done, and an incredibly easy way to store them for later. Includes Lightning, Micro USB, USB-C, and USB-C to USB-C.
