## Product Summary

Packing and transporting your PETT system and accessories is made simple using the TOTE backpack. The TOTE is specially designed for use with the PETT toilet and PUP tent, with special compartments.

## Product Description

The TOTE features padded straps with zip close collection bag for sealed storage of used WAG BAG®'s. It carries The PETT®; PUP®; WAG BAG®'s, and accessories with outside compartment for packing out used wastebags.

The TOTE is approximately 26" x 15" x 6", which meets airport carry-on requirements.

Thousands of individuals use CleanWaste products, and are exercising responsible waste disposal to protect the environment. CleanWaste believes an environmentally sensitive attitude will protect our mountains, forest and waterways, and serve earth in the long run.

CleanWaste products are in use by the Military, National Park Service, National Forest Service and FEMA.
