**Free shipping**

### Product Description

You won't find this one on the Goal Zero website. It's a Goal Zero Bundle we put together that offers fantastic value for anyone who wants a simple plug & play solar

power system for cottage or cabin. The Yeti 1250 Solar 100W Kit comes with 100 Watts of premium crystalline cell solar panels, combined with a 100Ahr AGM battery pack, fully integrated with 12V DC outlet, USB ports, and 1200 Watt pure sinewave AC power. All Goal Zero.

### **DISCONTINUED BY GOAL ZERO : NOV 2019**

Charge the Yeti 1250 from the included 100W solar array, from your household power outlets, or from your car's cigarette socket.

Use the Yeti 1250 Solar 100 Kit for emergency back-up, camping, or remote seasonal cabin. It's the safe, convenient way to take an instant solar power system on location.

What's Included with the Yeti 1250 Solar 100 Kit...

1 x Goal Zero Yeti 1250 : Solar Generator Battery Pack

1 x Goal Zero Boulder 100 : 100Watt Solar Panel

1 x Roll Cart

NOTE: If you plan to add additional panels to this system, and it can handle up to 4 more Boulder panels, then consider [4x1 8mm Combiner Connector](#)] to join the panels.

What Can The Yeti 1250 Power?

Just about anything...

Computers, phones, radios, TVs, DVDs, CPAP & other medical equipment, small fridges, microwave ovens, lights, all USB devices, and much more. Like your own little utility company!

### **Need more battery capacity?**

Simply use the [Goal Zero Yeti ring terminal chaining cable](#)], and purchase a 100Ahr AGM battery from any local automotive/marine retailer (saves the nasty shipping costs of batteries!). We can help you find the one you need.
